MASSAGES:

Flora's Floral Relaxation Massage: .

Relax and rejuvenate with our soft Swedish massage designed specifically to ease stress & tension while promoting overall well-being. The soft notes of jasmine and lavender essential oils are combined with long slow strokes to calm the nervous system and relieve small muscle aches. This massage pairs wonderfully with our signature Herbal Soak (see below).

90 minutes - \$145 USD // \$2,755 MX per person

Flora's Grounding Garden Massage:

Relieve any muscular stress with this Sport-style massage which includes stretching and gentle joint manipulation. It's great for athletes who don't want the heavy pressure of deep tissue, but need a little more than a Swedish massage. Spruce and orange oils are used to ground and balance while also bringing relief to tight sore muscles. This massage pairs wonderfully with our signature Herbal Soak (see below).

60 minutes - \$115 USD // \$2,185 MX per person

90 minutes - \$155 USD // \$2,945 MX per person

Deep Tissue Therapy Massage:

This is the farm favorite - a classic deep tissue massage that is thorough and invigorating. We customize the pressure to your liking and work specifically on the areas that trouble you the most. Relieve long-held soreness and tension with a wide variety of techniques chosen by your therapist to provide maximum results. Oils of peppermint and eucalyptus are utilized for their invigorating qualities in order to assist the body in flushing out old toxins and lactic acid. This massage pairs wonderfully with our signature Herbal Soak (see below).

60 minutes - \$115 USD // \$2,185 MX per person

90 minutes - \$155 USD // \$2,945 MX per person

Arroyo Stone Massage:

Heated arroyo rocks are used to release muscle tension and toxins. The heat conducted by the smooth stones loosens and releases tense muscles, promoting deep relaxation that allows a massage therapist to manipulate the muscles with minimal discomfort. Additionally, the warm temperature improves circulation to all of the muscles that need attention.

90 minutes - \$175 USD // \$3,325 MX per person

*****ADD: Herbal Soaking Tub Experience*****

After any massage, we offer a private, 20-minute outdoor soak with a combination of our beautiful farm-grown flowers & fresh herbs, in addition to customized blends of essential oils. This is a Farm Spa specialty and a wonderful way to finish a massage experience.

Neck, Shoulder, & Back Massage:

This short, relaxing massage is perfect for anyone with a sore shoulder or aching back. You will lie down on a massage table as with a full body massage, but the therapist will focus on a balanced treatment for your neck, shoulders, and back. Transformational Breath Session:

***Adriana Mondragon, Facilitator**

Transformational breathwork utilizes a full, relaxed breath that starts in the lower abdomen and encourages exhalation and inhalation without pauses. Different from other breathing styles that are used during yoga, the goal is to reset your breathing pattern and to flush your system with increased oxygen. During the hands-on coaching and assessments by Adriana, you will experience an opening of the mind and body, as you let go of locked muscles and send increased energy to your extremities. She will guide you through setting and integrating a personal intention, while offering specific suggestions and support during the session. Participants will leave the session with personalized strategies to continue their practice at home.

Private sessions with Adriana can also be booked through the spa.
